

Ord#	QUESTION
<b>36</b>	<b>Warranty period(s)</b>
36.1	Does the initial warranty period (obligation to repair/replace) start at the same date for all equipment ?
36.3	What is the duration for the initial warranty period ?
36.4	Is there a cut-off date defined for the initial warranty period ?
36.5	Is there a limited repair time or any other restriction imposed to repair/replace equipment ?
36.6	Is <a href="#">Naval Group</a> responsible to dismount the defective part of the ship/installation in order to take out/replace/reinstall the repaired part ?
36.7	Is there an additional warranty applied to repaired/replaced equipment (renewed or extended/prolonged warranty period) ?
36.10	Is it clear that repair or replacement at <a href="#">Naval Group</a> costs is the exclusive remedy during warranty period ?
36.11	In case of problem shown by <a href="#">Naval Group</a> as being originated by wrong maintenance, storage or operation, is it customer's responsibility to assume ALL the costs (incl. Investigation and tests costs) ?
36.13	Is it clear that, during all warranty period(s), <a href="#">Naval Group</a> has the right to use the spares available to customer without reserve (except obligation to replace it in reasonable time) ?
